Audrey,  
We've been friends for a long time. I  
hope we will always stay friends.  
I'll always remember all of the  
funny things we did and all of the  
trouble we almost got into. You've  
got to be one of the sweetest girls I've  
ever met. You don't get mad very  
easily like some of us. You will  
always listen to me when I need to  
talk to someone and you try to  
understand. I want to wish you the  
best of luck in everything you try  
to do. Stay as nice as you are now  
and I know you'll go far. I hope  
we have more fun next year. Just  
think, we'll be seniors, our last  
year. I can hardly wait. Stay cool  
and try to stay out of trouble, but  
remember, always have fun. God  
bless you and be with you always.

Love ya,

"Country Days," an aspect of rustic memories and a simple lifestyle. Memories made in a year highlighted by uniqueness; a musical revue, the first homecoming queen, a different administration, a melodrama, new ball competition and a marching band. A lifestyle involving everyone often hurried but still basic in friendship and involvement which stems the roots of "Country Days 1978," a very special year.

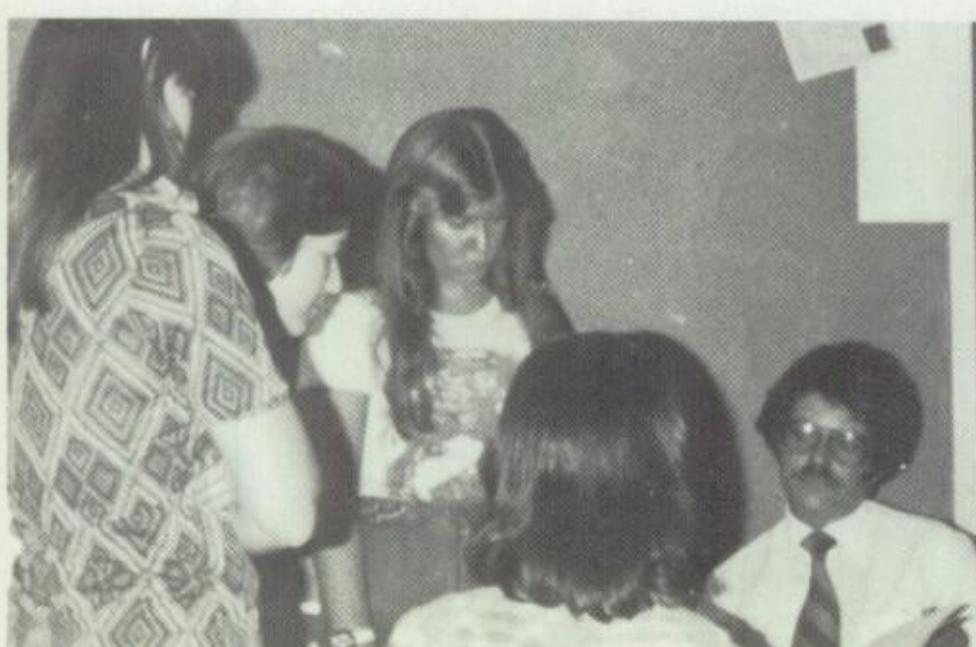

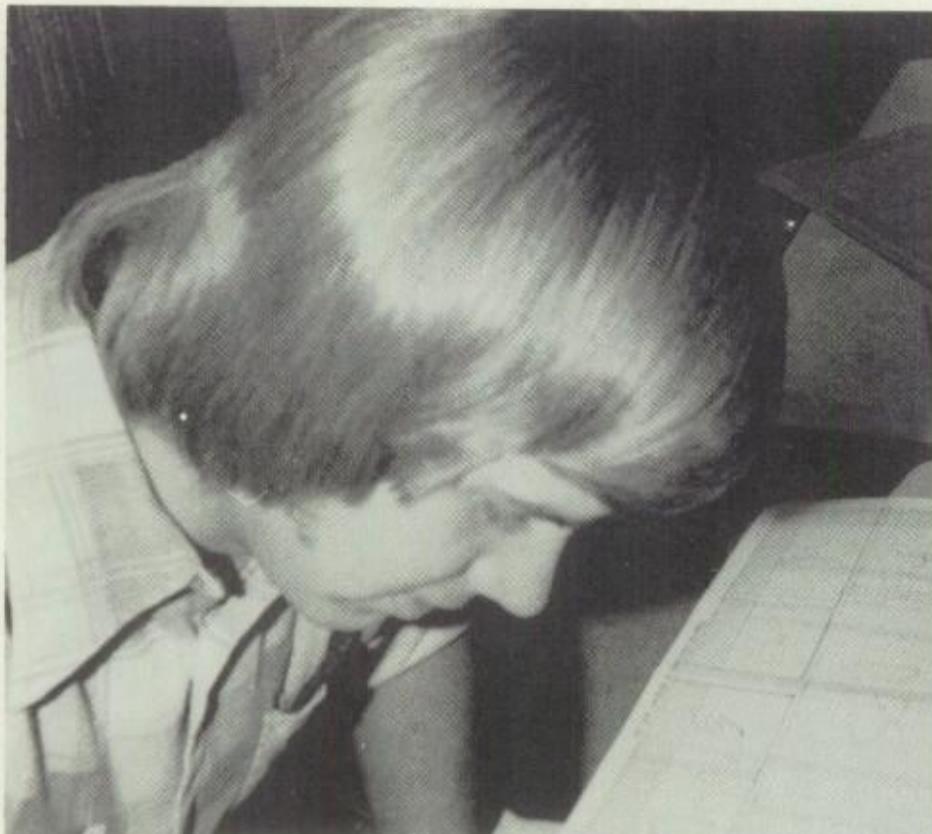

Many things go into the making of the OWL. Without a diligent and much appreciated staff, many memories of this year would not have been captured and remembered. And certainly, without the guidance and cooperation of advisor Mr. Brandt, the OWL would never have been completed. As editor, I owe a multitude of thanks to both my staff and advisor for their confidence, time, and dedication. They are the special ones, the ones that present you "The 1978 OWL, Country Days."

DEDICATION

The staff of the 1978 Owl takes great pleasure in dedicating this year's annual to Miss Anna Ryan, Home Economics teacher.

Miss Anna Ryan is an Elgin native and graduate. She has spent more than thirty-five years dedicating her time to the students of Elgin High School.

In addition to serving as head of the Home Economics Department, Miss Ryan also served as advisor to the OWL staff for twenty-three years. It is for this work that the staff commends Miss Ryan. Through her patience, guidance, and knowledge, many fine annuals were produced. For those who treasure the memories in each yearbook, we extend our great appreciation.

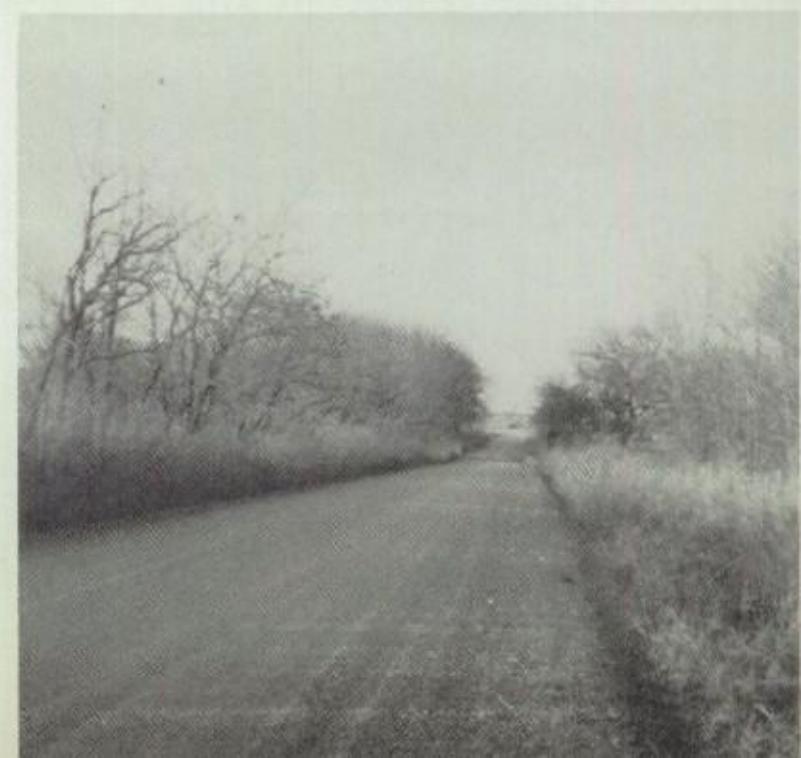

Miss Ryan is a warm, sincere person admired by faculty and student personnel alike at Elgin High School. We, the 1978 OWL staff, wish her many more successful years.

# ACTIVITIES

Student Council Officers for 1978 are Wendy Watson, President; Kathy Liles, Reporter; Kim McDonald, Treasurer; Kari Evans, Vice-President; and Audrey Appleby, Secretary.

Student Council Members: Kari Evans, James Bearbow, Jon Ringlero, John Horacek, Mark Slagle, Jeff Snow, Frank Keller, Tammy Brigham, Wendy Watson, Mr. Keltner, Sponsor, Roger Glasgow, Kathy Liles, Cindy French, Audrey Appleby, Tammy Skaggs, Nancy Barnes, Marty Slagle, Donna Fields, Angie Miller, Carla Hardzog, Casey Shelley, Mary Sue Phillips, Gaye Angley, Kim McDonald, Rickey Kolker, and Mike Mitts. *Not pictured:* Becky and Jeff Witt.

Throughout the year the Owlkahoma Club has participated in many activities. In celebration of Native American Week, the Owlkahoma Club performed various programs from the early Indian culture. The club demonstrated to the fullest the philosophy that "it's better to give than receive."

Without the help of officers and sponsors the Owlkahoma Club would not have been successful. Tina Brooks, President; Mrs. Pewewardy, Sponsor; Donna Thompson, Vice-President; Mrs. Gaddy, Sponsor; Kari Kay Foote, Secretary; and Felicia McCurtain, Treasurer.

Musically, "Country Days" 1978 has been a very successful year. With the arrival of new instructor Mr. Winslett interest grew among students of all grades.

The three choruses perform separately as well as together.

The "Big Red Music Machine" has had its most successful year. The band officers have worked very hard for the band. Mrs. Smith, Director; Donna Fields, President; Mardi Slagle, Librarian; Joan Thomas, Vice-President; Helen Dodd, Secretary. (*Not pictured:* Danna Moore, Reporter; and Audrey Appleby, Chaplain.)

The symphonic band has added many new members and instruments this year. The band has had many activities; to include performing at concerts and entering contests. Many individual members have also entered solo and ensemble contests and participated in various honor bands.

The stage band is a small group which performs various styles of jazz. The stage band also performs at concerts and enters its own contests.

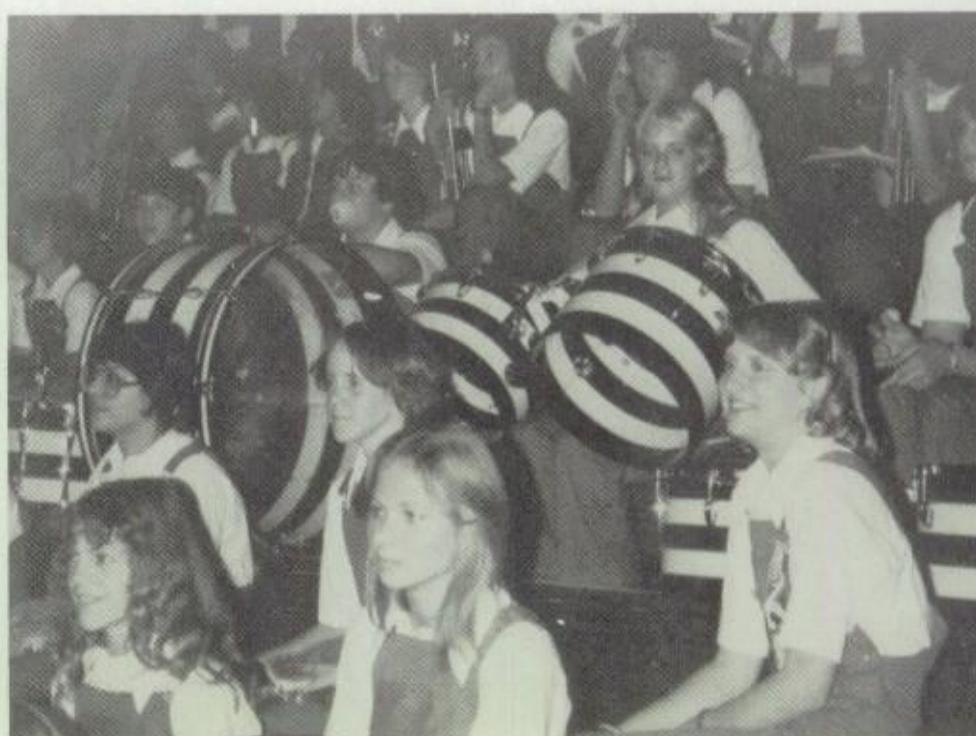

Andy  
Orsborn,  
Drum  
Major

An exciting addition to the "Big Red Music Machine" is the marching band. Although the band only began marching in September, they are planning to march in some parades in the near future. The marching band also marches and plays at home ballgames.

The band adds spirit and enthusiasm to the ballgames. Andy Orsburn was chosen as Drum Major. He leads the band when it marches and he directs a number of the songs at ballgames.

In a one year school term the Vo-teachers travel approximately 2,880 miles. That's a long way to go for an education. But the complaints are few. So, "They just keep on truckin'."

Without the assistance of Mr. E. W. "Bunt" Golden, "Country Days" for the bus drivers would not have been as pleasurable. "Bunt" is a long time favorite of the student body.

Bus drivers have many hazardous duties, among the brave bus drivers are *standing in the back*, Jeff Snow, Mr. Golden, and Mr. Heston. *Seated are* Lyndon LaGrone, Kari Evans, Rickey Henson, Paul Pinchback, Alvin Erwin, Johnny Crabtree, Travis Ballou, Ronnie House, Chuck Waugh, Philip Godbee, Dave McLane, Frank Hicks, Dale Baker, and Billy Bressman. *Not pictured:* Connie Bowden and Rickey Kolker.

With the addition of Mrs. Morrow to the janitorial staff, Mr. Warren, Mr. McMahn, and Mr. Knight, many improvements have been made throughout the school. Accomplishments can not be completed in full without the help of the many students. We appreciate the janitorial staff very much.

Janitorial Staff

This year the Chess Club has been very successful. Mr. Scroggins is their sponsor, with Bobby Crose as Sec. Treasurer and Frank Keller Pres. The Members: Eddie Hendrix, Blake Wolfe, Monty Bridges, Steven Brown, Sean Mackey, Bart Goodin, Steve Church, Albert Ward.

Changes were made this year for Elgin's newspaper, The Owl-Gin Chat. Until this year the newspaper had been duplicated at Elgin High School, but this was the first year for it to be printed professionally at the graphic arts department of the Great Plains Area Vocational School in Lawton.

Printing the paper at Vo-Tech brought about many advantages. First, photographs could be added. Secondly, the students in the journalism class learned much about the journalism process. They not only wrote the stories and headlines, but also made the layouts for the stories, typed the stories on special journalism equipment, and pasted-up the copy.

To bring about these changes was the Owl-Gin staff which included: editors, Wendy Watson, Kim McDonald; assistant editors, Cindy Rankin, Audrey Appleby; straight news editor, Sherri Pyle; feature editor, Gaye Angley; grade school editor, Pabalene Boswell; sports editor, Janie Harris; assistant sports, Jamie Horacek; circulation manager and assistant, Gail Prince and Chris Waugh; exchange editor, Becky Witt; advertising manager and assistant, Mary Phillips and Phillip Godbee; and illustrator, Teresa Perkins.

Our ever smiling cafeteria workers are busy each day preparing hot nutritious meals for the many students in the Elgin school system. The daily assistance of Junior and Senior High school students is greatly appreciated by Bernice Bernard, Vivian Jones, ImaJean Pointer, Loretta Gaines, Alice Harrold, Johnnie Bell Lake, Lena Day, Rhonda Lake, and Gina Love.

## SENIOR PLAY

The seniors of '78 enjoyed presenting "Dirty Works In High Places." The play was a melodrama that consisted of the audience's participation in bringing out the happy ending. Thanks go to Mrs. Schook and Mr. Winslett for dedicating their time and effort which aided in the success of the play.

Library Aides

Students not only learn but also served in various capacities along with the teachers. "Country Days" saw many teacher aides, library aides and tutors. Without the help of these students many papers wouldn't have made the grade books. Mrs. Cook would still be lugging books and the many other achievements would still be undone. Aides and tutors serve in a most rewarding position.

It's graduation and it's unbelievable that I'm here.

They'll call my name in a few minutes, and I'll walk up to receive my diploma . . . where do I go from there?

After 12 years of this you would think I would be ready to move on, but I feel like I'm leaving a part of me behind. Maybe that's good though.

I've always had the security of the school routine and its activities, surrounded by the friends I was so familiar with. Now we'll all be going in different directions and I wonder how long it will be before the Memories that meant so much start to fade.

Because I really have changed in the three years that I've been here. Well, pretty soon they'll get to my name. Then I'll be up there, and it'll be all over. In a way, I guess everything's really just beginning.

~~I~~ It's so hard to write in  
the annual of someone who  
you've shared so much  
with! Life has been  
good to us so far,  
and I hope you'll  
have all your dreams

Move all your dreams  
come true! (Like being a concert French Hornist!) Just  
think, next year we'll be seniors! It may be our  
last year together! "Parting is such sweet sorrow!" I  
hope you'll be able to go to Baylor and like it!  
I think you'll make a good Student Council President.  
Stay with the Band and it'll be great next year!  
I hope we'll always stay friends! I wish I could  
think of an appropriate scripture on friendship, but I  
can't at the moment. Anyway, walk close with God  
always and the world will shine brighter!  
Lots of love,

A 78

It's been a long time since I last wrote to you, and I hope you will forgive me for not writing sooner. I have been very busy with my work, and I have not had much time to write. But now I have some free time, and I would like to tell you about my life.

I am still working at the same company, and I am doing well. I have been promoted to a higher position, and I am responsible for managing a team of employees. It is a challenging job, but I am enjoying it. I have also been taking some classes at night to improve my skills. I am learning a new programming language, and I am finding it interesting.

My personal life has been good. I have been spending more time with my family and friends. We have been going on walks in the park, and we have been having dinner together. I have also been going to the gym regularly, and I am feeling better than ever.

I am looking forward to the future, and I am excited about what the next year holds. I have big plans for myself, and I am determined to make them a reality. Thank you for your support and encouragement. I hope to hear from you soon.

AUDREY,  
YOU ARE A  
REAL NICE PERSON WITH  
A GREAT PERSONALITY. IT  
HAS BEEN FUN GOING TO  
SCHOOL AND I HOPE  
YOU GO WITH YOU  
FAR.

AUDREY, IT'S BEEN GREAT KNOWING  
you, although I don't really know you that  
well. Good luck in whatever you do  
in your life. Blake Benson

now.  
I've only known you for  
a school year. That's not  
very long but I guess it will  
have to do.

I hope that your Senior year will be fun here at RHS. I'll be somewhere else most likely. But have my fun for me, ok?

You are a very intelligent girl. I don't believe you will have any trouble trying to achieve your goals. I wish you the best of luck in life and hope we can always remain friends.

Audrey,

Well what can I say to someone who I started 1<sup>st</sup> grade with? And here we are Juniors. Just one more year, I can't even believe it. There are so many memories to look back on. Do you remember the slumber parties & skipping church cause David wasn't gonna be there. There's 10 million more. I think you're one of the neatest people I know. You have so much going for you & I know you'll use it to the fullest. Have a great summer.

watch out  
next year
